A: Seacoast Newcomers Club welcomes all women who wish to expand their social and educational horizons whether they are new to the area or new to a different phase in life.

Q: Do I need to be new to the area to join?

A: No. We currently have a mix of members- some are new to the area, while others have lived in the Seacoast area for a few to several years.

Q: What are the membership fees?

A: Dues are \$30 for our club year of July 1 through June 30. For new members joining between January and June, dues are \$15. Membership dues give members access to the full content of our website, access to our smart phone APP and access to all our Special Interest Groups. Five dollars of every member's dues are donated to the club-designated charity.

Q: Is there a membership term limit in the SNC?

A: No, there is no limit. We know other Newcomers' groups limit membership terms; but we do not. We have members who have been part of our group for more than 15 years.

Q: Do you have any paid roles?

A: No, we are a member-run organization. Members volunteer to serve as board members and/or to lead our Special Interest Groups (SIG), etc.

Q: Does the Club support any charitable organizations?

A: Each year the Seacoast Newcomers Club selects a local, non-profit organization to support with a five-dollar contribution from each member's dues. We also conduct fundraisers and wish list contributions throughout the year. This is a wonderful tradition of giving back to our communities that was established as part of our bylaws.

Q: Tell me more about the Special Interest Groups.

Through our SIGs, we offer a wide range of activities, which give our members opportunities to meet during the day or evening for games, social or outdoor activities. Some events include spouses or partners*.
